

Wounded Warrior Sponsor

Next fall the Coloma football program will host a Wounded Warrior Project night. The Wounded Warrior Project raises money and awareness for persons of the Armed Services who have been injured while serving our country. Each player will play the game in honor of a Wounded Warrior and/or Veteran. We will play in special jerseys created for this evening. We will place that veteran's name on the back of the sponsored jerseys. After the game, those jerseys will be presented to the service member and/or their family. We do also ask for a donation to help cover the cost of the jersey. The jersey cost \$50. Any amount over that goes directly to the WWP fund. We also have other fund raisers planed in coordination with this night. We will host the WWP game on Friday September 30th @ 7:00PM vs. Edwardsburg High School.

___ YES my sponsor will be at game ___ NO my sponsor will not be attending

Player's # ___ Players Name _____

Name of Sponsor first and last _____

Sponsor donation \$ _____

If they served in Military please provide a short bio. (Branch, rank, years served, relation if applicable, and war served in)

(The bio will be read as part of the jersey presentation ceremony after the game.)
